Upland Game Hunting Package

Pipestem Resort State Park

in partnership with Stoney Brook Plantation

Sept. 1, 2009, through April 30, 2010

A guided hunt with dogs for Ring-necked Pheasant, Chuckar or Hungarian Partridge offers hunters a choice of upland game. Stoney Brook Plantation is a 13,000-acre facility. The area is a one-hour drive from Pipestem Resort through some of West Virginia's most scenic farm and rural areas.

Accommodations at Pipestem Resort's McKeever Lodge.

"The Upland Game package is flexible—for two people or for larger groups. McKeever Lodge at Pipestem is excellent. You won't find better service or a more accommodating staff. And the field hunt at Stoney Brook is an incredible adventure."
